Weekly Share: Each week the share will consist, when available, of a bag of field salad mix, an assortment of seasonal vegetables, the herb of the week, and garden plants or flower bouquet. We will also provide a coupon for PICK YOUR OWN berries in season. The fruit and vegetables will be grown on Coonamessett Farm and/or another local cooperating farm. Cheese shares come from farms within 100 miles; the value of each share is about 20% below comparable retail cost.

This agreement represents a season-long contract. If for any reason I cannot complete the contract, I will designate another Coonamessett Farm member to be the recipient of my shares. It is my responsibility to see that my share is picked up on the designated day and time unless special arrangements have been made at least a week in advance. I understand that the grower is committed to the best of his ability to meet the target share amount but that agriculture is subject to many natural forces that may impact the target share amounts. All payments are non-refundable.
